You must request that your district(s) verify your mentored and teaching experience. Employers located in New York have the option of entering an electronic Superintendent Statement (Verification of Teaching Experience, Administrator Experience, or Mentoring) onto the applicant’s TEACH account. **This is the preferred method of verifying experience.** However, if the employer is not located in NYS and/or cannot verify experience using this method, they can submit this form instead:

- Initial SBL: <http://www.highered.nysed.gov/tcert/pdf/ot-verifexper-teacher-PPS.pdf>
- Professional SBL/SDL: <http://www.highered.nysed.gov/tcert/pdf/ot-verifexper-sbl-sas.pdf>

For Professional SBL, you must request that Mentored Experience-SBL be added to your TEACH account by the public school district in which you completed your first year of SBL experience.

Internship Certificates are valid for two years, *unless you complete or leave the CAS SBL/SDL program*. Once you complete or leave the program, the Internship Certificate will *no longer be valid*, regardless of the expiration date listed on TEACH. To avoid a lapse in your SBL/SDL certification status, you will want to complete the requirements for Initial/Professional SBL/SDL Certification well in advance of your final semester.

Before applying on TEACH, submit the [Online Release Authorization Form](#). You’ll find the Release Authorization form on our website, under Quick Links: <https://teachercertification.buffalostate.edu/quick-links>.
