

Apply for School Building Leader (SBL) Internship Certificate on TEACH

The SBL Internship Certificate requires a college recommendation. You must meet department specific criteria to be eligible for the college recommendation. Please do not apply for the Internship Certificate until you have received department approval to participate in a college supervised Internship experience. The college recommendation does not guarantee eligibility for the Internship Certificate. After you submit the application for the Internship Certificate, NYSED will complete an official evaluation to determine your eligibility for this certificate. Internship Certificates are valid for two years, ***unless you complete or leave the SBL Program***. Once you complete or leave the program, the Internship Certificate will ***no longer be valid***, regardless of the expiration date listed on TEACH. To avoid a lapse in your certification status, complete all requirements for Initial/Professional Certification, including all exam requirements well in advance of your final semester.

The NYSED eligibility requirements include:

- Enrolled in a NYS Registered School Building Leader (SBL) Program
- Completion of at least 50% of the SBL Program
- College Recommendation for the SBL Internship Certificate
- DASA Workshop
- Child Abuse Identification Workshop, Second Update
- Fingerprint Clearance
