If you hold valid New York State Early Childhood Birth Grade – 2 Certification, you may wish to add Students With Disabilities (SWD) Birth - Grade 2 certification.

The current requirements to add SWD B-2 certification include 12 acceptable credits in SWD to include Foundations of Special Education, Curriculum & Instruction for SWD, Assessment of SWD, Managing the Environment for SWD, the Content Specialty Test (CST) SWD, and the [Autism \(https://www.nysedworkshop.com\)](https://www.nysedworkshop.com) and Child Abuse Identification Second Update workshops.

Courses that have been accepted in the past to fulfill the SWD requirements include EXE 500, EXE 501, EXE 502, EXE 503. **You will want to receive the official evaluation and verify the acceptability of these courses with BOCES** after you apply for the certificate and before you register for coursework, as it is likely you have already completed at least one of the required SWD courses.
