

I HAVE EARLY CHILDHOOD (B-2) AND WANT TO ADD SWD B-2 CERTIFICATION

If you hold a valid NYS Initial Certification in Early Childhood (B-2) and want to add the SWD B-2 title, you will need to apply for the SWD B-2 title as an additional certificate through a BOCES Regional Certification Office. BOCES will complete an official evaluation and send you a letter telling you which requirements are missing. Upon completion of the missing requirements, the evaluation may be updated at no additional cost.

The current requirement to add SWD B-2 certification includes 12 credits in SWD coursework to match up with the following competencies: Foundations of Teaching SWD, Assessment Diagnosis & Evaluation of SWD, Managing the Environment for SWD, and Curriculum & Instruction for SWD, plus the CST-SWD, and Autism and Child Abuse Identification Second Update workshops. **Please note that certification requirements are subject to change at any time and without notice.**

Some courses that have been accepted in the past to fulfill the SWD requirements include: EXE 500, 501, 502, 503. **You will want to verify the continued acceptability of these courses with BOCES** after you apply for the certification and before you register for a course.
